ANNUAL MEETING CASE STUDY PRESENTATION PROPOSAL SUBMISSION FORM

MEETING:	PACA Annual Meeting & Honors Program	VENUE/LOCATION:	Hotel Hershey, Hershey, PA	MEETING DATES:	November 15-17, 2026

PACA is once again inviting Associate members to share their expertise during a special breakout session at the Annual Meeting.

We're looking for real-world case studies that demonstrate how you helped a customer overcome a challenge, improve an operation, or find a better way to get the job done. Proposals will be reviewed by PACA's Operations Community and Associate Board of Directors, with a limited number selected for presentation.

Presentation Guidelines

- Presentations are limited to 15 minutes and must stay within the allotted time.
- Content should be educational and solution-focused—not a company sales pitch.
- Presentations must identify a real challenge and the solution used to address it.
- The case study may involve a company outside Pennsylvania, but the solution must be relevant and applicable to Pennsylvania operations.
- PowerPoint presentations and/or videos may be used but must fit within the 15-minute presentation.
- Presenters must be PACA members and registered for the PACA Annual Meeting.

Submit Your Proposal

Please submit:

- A completed submission form
- Your PowerPoint presentation and/or video

Send all materials to Kallie Kline at kallie@pacaweb.org by October 23, 2026.

For files too large to email, WeTransfer or another file-sharing service may be used.

Space is limited, and submission does not guarantee selection.
