

MEETING:	PACA Annual Meeting & Honors Program	VENUE/LOCATION:	Hotel Hershey, Hershey, PA	MEETING DATES:	November 17-18, 2025
----------	--------------------------------------	-----------------	----------------------------	----------------	----------------------

This year, PACA will host a breakout session at the Annual Meeting, providing our Associate members with the opportunity to present case studies that highlight strategies they have used to solve problems and deliver optimal solutions for their customers. The presentation requirements are outlined below. Proposals will be reviewed and evaluated by PACA's Operations Community, and final presenters will be contacted by mid-September. Please note that there are limited time slots available, and not all submissions will be accepted.

Presentation Format/Requirements:

- Presenters will have up to 15 minutes to speak. Timing will be monitored closely, and presenters will be required to conclude at the 15-minute mark.
- Presentations must be informative in nature and cannot serve as sales pitches for your company.
- Presentations should address a genuine problem and demonstrate a clear solution. The problem can be with a company based on a company outside of Pennsylvania, however, the solution provided must be applicable to companies within Pennsylvania.
- Presentations may include a PowerPoint slideshow and/or video but all must fit within the allotted 15-minute timeslot.
- All presenters must be PACA members and registered to attend the PACA Annual Meeting.

How to Submit a Proposal:

Proposals must include the following:

- A completed submission form
- A copy of your PowerPoint presentation and/or video

Please return this form and your presentation to Kallie Kline at kallie@pacaweb.org no later than August 31, 2025. If your presentation or video file is too large to email, we recommend using a free WeTransfer account for submission.
