SUBJECT: Modifications to March 19 and March 26, 2020 Let Schedules

TO: District Executives
Assistant District Executives, Design
Assistant District Executives, Construction

FROM: Brian Thompson, P.E. /s/
Bureau Director
Bureau of Project Delivery

The Pennsylvania Department of Transportation (PennDOT) is implementing the following operational changes in response to Governor Tom Wolf's mitigation guidance regarding COVID-19. Bid lettings scheduled for March 19 and March 26, 2020, will move to an interim date of April 2, 2020.

We acknowledge this will place 103 projects on the April 2, 2020, let date. We will work with the Districts to reallocate let dates based on priority/need. We anticipate creating additional let dates in April and/or May to address the backlog of advertised projects.

In the coming weeks, the let schedule for the remainder of March and all of April will be reevaluated and modified in ECMS as needed.

Please contact Elizabeth Roman, P.E., at (717) 214-8710 or elizaroman@pa.gov, with any questions.
